Even though there is still a little snow on the ground, we've been making plans for our next Wrightsville Beach getaway.

Isabella - before the storm!

The dates for this semi-annual event are April 26-27. We can only do two appointments a day, so don't delay if you would like to be included.

Call and we'll set up a time for you to drop by the studio for a clothing consultation. There is a \$250 reservation fee, payable at your consultation and a minimum order of at least a 20x24 or equivalent. Your reservation fee completely applies to your final order.

Going in April will allow us to beat the late spring crowds and hot temperatures. There are hotels on the beach and in nearby Wilmington.

The Bunnies Are Coming

March 12-15

It's almost time for the bunnies to visit the studio again. We've marked our calendar and it's time for you to do the same. This year, the garden will be lighter and brighter, with lots of pretty flowers! Of course, the bunnies will make their grand appearance. Dressy or casual clothing is fine and bare feet are always in style for spring portraits.

The bunnies will only be here for a few days and appointments are already starting to book for this annual spring event. Give us a call today to book the time and day that best suits your little ones.

The session fee is \$25 for one child and \$35 for two or three kids. We will do some poses with and without the bunnies so you'll have plenty of poses from which to choose. Don't worry if the kids are afraid of animals, we've got some stuffed ones that would pass for real!

Studio Beach

Haven't made it to the beach yet this season? We'll be doing our indoor Studio Beach on June 13 and 14. Let your child wear their best beach attire and come put their toes in the sand.

Solid color pastels and white will photograph best on this beautiful painted background with real sand and shells.

Children must be able to sit up alone for this one, so about six months is the youngest age for this event.

The session fee is \$25 for one child and \$35 for two or three kids.

Sample Search

We need some new display samples for our "Mommy and Me" sessions. If you have a baby, nine months or less (preferably less than 6 months) and would like to do some very special portraits of the two of you, give us a call. These would be great for Father's Day.

The session is complimentary and there would be no obligation to make any purchase.

When you call, we'll discuss clothing options and give you all the details.
